

# ACCESSIBILITY STATEMENT

## **The Ease Project PLLC**

The Ease Project PLLC is committed to ensuring digital accessibility for all individuals, including people with disabilities. We strive to make our website as accessible and user-friendly as possible and continually work to improve accessibility and usability.

We aim to follow applicable accessibility standards and best practices, including the Web Content Accessibility Guidelines (WCAG), to the extent reasonably achievable for a small healthcare practice.

If you experience any difficulty accessing content, navigating the website, or using any features, please contact us so we can assist you and work to improve accessibility.
