

LICENSURE DISCLOSURE

The Ease Project PLLC

The Ease Project PLLC provides physical therapy services via telehealth only to individuals who are physically located in states where the treating clinician is licensed at the time of service.

At this time, services are available to individuals located in **Massachusetts**. Services are not available to individuals located outside licensed jurisdictions.

Use of this website does not establish a provider-patient relationship. Eligibility for services is determined through appropriate intake, consent, and licensure verification.

If you have questions regarding licensure or service availability, please contact us prior to scheduling.
